

Eco Club Report

The Eco Club, Govt. Kolasib College was constituted under the guidance of the Principal, Dr. C. Lalmuankima at the Staff meeting held on 31.07.2018. As per the staff meeting resolution, Mr. Malsawmtluanga, Asst. Prof. and Dr. K. Vanrammawia, Asst. Prof, were designated as the first Professors in-charge of the Club at this College.

Recruitment of 30 student members was subsequently made on date 27.08.2018 at V Semester Room, Dept. of Political Science. As the objective of Eco Club is to conserve the natural resource and the natural environment to create Eco friendly campus, the College Eco club has many activities to meet the objective of Environmental issues like tree plantation, Cleanliness drive, promoting renewable energy, installation of solar lamp, garbage management, attending workshop/conference to aware biodiversity conservation and local environmental issues.

The Eco Club did not have many activities in the current academic session (2020-2021) due to Covid-19 pandemic. These are the activities in the academic year 2020-2021.

- 1) **Tree plantation:** The Eco club planted many trees in the college campus in observance of World Forestry Day/ International Day of Forests on 19th March 2021.

- 2) **Celebration of World Water Day:** The Eco Club, acting on the invitation of the Public Health Engineering Department, Kolasib, participated in the celebration of the World Water Day Programme on 22nd March, 2021.
