3. To organize seminar, workshop and training programs
4. To organize exposure programs for students.
5. To organize extension and Outreach activities
6. To inculcate students with a sense of responsibility towards conservation of environment.
7. Preparation of AQAR (2020-2021)

### **The Institutional Strategic/ Perspective Plan is Effectively Deployed**

The Institute endeavoured to fulfill the Plan of Action for 2021-2022 despite the constraints due to the Covid 19 Lockdown. Continuing the teaching/learning practices adopted during the Covid-19 pandemic, the IQAC continued to effectively implement blended learning through the enhancement of teachers' proficiency in online teaching methods to create classes, upload learning materials, grade assignments and send feedback to students. A number of webinars, seminars and workshops were organised by the institute for both faculty and students. Faculty members published and presented papers in webinars/seminars organised by both the institute and other institutes. Exposure programs extension and outreach programs were organised for the students as much as possible given the pandemic situation: Blood Donation camps, Mathematics Summer Camp Malsawmdawngliani, VI Semester represented NSS, Mizoram Cell at the National Youth Parliament in New Delhi during 8th -9th march, 2022.
